FINAL DECISION AND ORDER

ISSUES:

Because the Parties had reached a tentative agreement at the time of the Prehearing Conference, and were memorializing that agreement, no specific issues were delineated for hearing. The Parties were given a time period during which the agreement was to be completed and either the matter would be withdrawn or a hearing date would be set. On September 9, 2014, Counsel for the Parents notified the Hearing Officer, via email, that the agreement had been memorialized and accepted by all Parties and that the Parents were withdrawing their request for a due process hearing, with prejudice.

PROCEDURAL HISTORY:

The Parents filed the request for due process on July 8, 2014. A prehearing conference was held on August 11, 2014, with a final decision and order date set for September 21, 2014. At the prehearing conference the Parties stated that an agreement was being formalized. On September 9, 2014 the Parents, through counsel, withdrew the request for due process with prejudice.

FINAL DECISION AND ORDER:

The Parents have requested that this matter be withdrawn with prejudice. With no further issues to be decided, this matter is DISMISSED with prejudice.

If the local or regional board of education or the unified school district responsible for providing special education for the student requiring special education does not take action on the findings or prescription of the hearing officer within fifteen days after receipt thereof, the State Board of Education shall take appropriate action to enforce the findings or prescription of the hearing officer.

Appeals from the hearing decision of the hearing officer may be made to state or federal court by either party in accordance with the provisions of Section 4-183, Connecticut General Statutes, and Title 20, United States Code 1415(i)(2)(A).
