PROCEDURAL HISTORY AND SUMMARY:

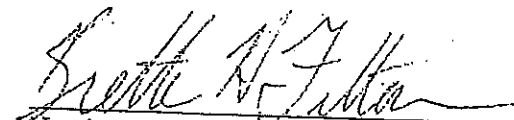

On January 8, 2014, the Ridgefield Board of Education received a Request for a Special Education Due Process Hearing. The undersigned Hearing Officer was appointed on January 9, 2014. On February 5, 2014, a prehearing conference was held and hearing dates of March, 26, 2014, April 2, 2014 and May 7, 2014 were set. The original deadline for the mailing of the Final Decision and Order was established as March 24, 2014. During the prehearing conference, Counsel for the Parents requested an extension of the deadline for the mailing of the Final Decision and Order in order to accommodate additional hearing dates. The extension request was granted and April 23, 2014 was established as the new deadline for the mailing of the Final Decision and Order. On March 3, 2014, Attorney for Board indicated that there was a conflict with a previously scheduled April 2, 2014 hearing date and requested that the date of May 5, 2014 be substituted. On March 13, 2014, Attorney for the Student requested that the initial hearing date of March 26, 2014 be postponed to permit the parties to engage in mediation on that date. After consideration of all factors, both requests were granted and new hearing dates of May 5, 2014 and May 7, 2014 were set. On March 13, 2014, Attorney for the Student also requested an extension of the mailing deadline to accommodate the new hearing date schedule and this request was granted. A new deadline for the mailing of the Final Decision and Order was set for May 23, 2014. On April 10, 2014, the Attorney for the Student requested a postponement of the May 5, 2014 and May 14, 2014 hearing dates for personal reasons pertaining to Student's family. There was no objection to this request from the Board. An extension of the mailing deadline was also requested. Both requests were granted. The deadline for mailing the Final Decision and Order was extended to June 22, 2014 and a new hearing date of June 20, 2014 was set. On June 12, 2014, Counsel for the Parents withdrew the hearing request.

FINAL DECISION AND ORDER:

In light of the above facts, the case is dismissed.

If the local or regional board of education or the unified school district responsible for providing special education for the student requiring special education does not take action on the findings or prescription of the hearing officer within fifteen days after receipt thereof, the State Board of Education shall take appropriate action to enforce the findings or prescription of the hearing officer.

Appeals from the hearing decision of the hearing officer may be made to state or federal court by either party in accordance with the provisions of Section 4-183, Connecticut General Statutes, and Title 20, United States Code 1415(i)(2)(A).
