75 Broad Street
Milford, CT 06460

Appearing on behalf of the Parent(s): Father, Pro se

Appearing before: Attorney Robert L. Skelley,
Hearing Officer

FINAL DECISION AND ORDER

Issues:

1. Whether the Board has offered an appropriate program to the student by placing the student at Raymond Hill School in the belief that returning the student to the original placement is substantially likely to result in injury to the child or to others and constitutes the least restrictive environment;
2. Whether there should be a determination that the program offered by the Board at Raymond Hill School would constitute a free and appropriate public education (FAPE) for the Student.

The parties agreed to bifurcate the issues so that an expedited hearing could be held in regard to issue number 1.

Summary:

The Parent received the request for hearing on February 8, 2012. A pre-hearing conference was convened on February 13, 2012, with all parties attending. A mediation date had been set for February 22, 2012 with the parties. An expedited hearing date was set for February 24, 2012. On February 22, 2012, counsel for the Board reported that mediation had been successful and that agreement had been reached on all issues. The Board subsequently requested to withdraw their request for a Due Process Hearing. Accordingly, this case is dismissed without prejudice.

Final Decision and Order:

The matter is dismissed, without prejudice.
