**PROCEDURAL HISTORY:**

The Student requested a special education due process hearing in the above-captioned matter on May 16, 2016. This Impartial Hearing Officer was appointed to hear the case on May 18, 2016. A telephonic pre-hearing conference was convened on June 29, 2016. Attorney Andrew Feinstein appeared on behalf of the Student and Attorney Michelle Laubin appeared on behalf of the Board of Education. It was established that the deadline for filing the final decision in the case is July 29, 2016. An evidentiary hearing was scheduled for August 12, 2016 and then changed to August 9, 2016.

On June 29, 2016, the Student submitted a written request for a thirty-day postponement and extension of the timelines to conduct the hearing and to file the final decision. The purpose of the requested postponement and extension was to allow the parties time to participate in mediation. Counsel for the Board agreed to the requested postponement and it was granted. The scheduled hearing date was also cancelled.

On August 18, 2016, the Board of Education reported that the parties had reached a tentative agreement and that the Board received a draft settlement agreement from the Student. The Board reported that it required a few days to review the draft and to finalize the settlement. The Board also requested a thirty-day postponement and extension of the timelines to conduct the hearing and to file the final decision in the case to allow time to finalize the settlement. The Student did not oppose the request and it was granted.

On September 19, 2016, the Board of Education reported that the parties were still in the process of negotiating a final agreement, and requested that a new hearing date be scheduled. A second On September 21, 2016, the Student requested a further postponement and extension of the timelines to conduct the hearing and to file the final decision in the case until October 10, 2016 to allow time to finalize the settlement. The Board of Education did not object to the request and the request was granted.

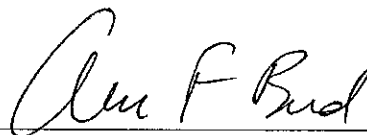

On October 7, 2016, Attorney Klein appeared on behalf of the Student. On October 7, the Student reported that the settlement had been finalized and requested that the matter be withdrawn or dismissed with prejudice.

**FINAL DECISION AND ORDER:**

It is ordered that the Student's request is granted and the matter is dismissed with prejudice.

If the local or regional board of education or the unified school district responsible for providing special education for the student requiring special education does not take action on the findings or prescription of the hearing officer within fifteen days after receipt thereof, the State Board of Education shall take appropriate action to enforce the findings or prescription of the hearing officer.

Appeals from the hearing decision of the hearing officer may be made to state or federal court by either party in accordance with the provisions of Section 4-183, Connecticut General Statutes, and Title 20, United States Code 1415(i)(2)(A).
